Noted events in his life were:

- He appeared on the census in 1940 in Washington, Utah, USA. With Clawson
- His obituary was published in 1945 in Santa Clara, Utah, USA. Frei, Edward Rudolph, Bishop of the Santa Clara Ward, St. George Stake, Utah, from 1912 to 1927, was born Sept. 25, 1867, in Santa Clara, a son of Rudolph Frei and Margarete Nageli. He was baptized Jan. 4, 1875, ordained a High Priest Nov. 29, 1901, by Abraham O. Woodruff, and ordained a Bishop Sept 15, 1912. As Bishop of Santa Clara he was involved in the establishment of a Branch of the Santa Clara Ward on the Santa Clara Bench (now Ivins). He envisioned the Ivins Reservoir and was instrumental in the establishment of this landmark. The Route of Highway 91 over Utah Hill was influenced by his recommendation for what would come to be known as "the Frei Cutoff."

Edward was born in Santa Clara 6 years after his parents were called to pioneer this community. His parents lived in a log house. His first recollections were of living there:

"Every time it rained we had to put pans on the beds so the bedding would not get wet. I also remember when we had nothing to eat." "I remember when we children were small, we would go barefooted with [our parents] to the St. George fields to plant crops, walking both ways and working hard all day on one frugal meal." He recalled those days when wine making was prevalent in Santa Clara. "One day a neighbor gave me a drink of wine and it made me very sick. This taught me a lesson for life."

"When I was a student at BYU, I was called on a mission for the Church, this was in 1893. I labored in Switzerland for 6 months, but will say here that I was engaged to my future wife when the call came, so we decided to get married before I left. We were married in the St. George Temple, May 15, 1893. My wife Agnes stayed with her mother while I was gone. I spent the rest of the 2 years in Hanover, Germany, where I had much success in my labor. When I came home from my mission we started house together. We had no furniture except what was given us by loved ones. A returned missionary in those days was indeed a poor man. We lived upstairs in mother's home for awhile. Later, we lived in part of my brother's home until I was able to get me a small adobe house with a lot. Onto this home we built more rooms as the family grew larger.

I taught school for some time, but it did not agree with me as I liked the outdoors better. So I started to freight form Santa Clara to Milford, Utah. My first church activity was ward clerk which I held for some time. I was superintendant of the Sunday School for many years; Sunday School class leader for 10 years. I was on the stake board of the mutual for 12 years. I was 1st counsellor to Bishop Hafen for 10 yrs and Bishops of Santa Clara for 15 years. After I was released as bishop, I was ordained a Stake High Councilman. I was 1st counselor in the Stake High Priest's Quorum.

Six children were born to us, 5 boys and one girl. The last 2 children died while young. My wife died in November 1930 [in her 59th year]. After that I was called on a short term mission to California. When I came back I married again. She was a widow living in SLC. After we were married [for time] in the Salt Lake Temple, we made our home in Santa Clara. I had my public jobs. I was constable for 2 terms; school trustee a long time; county commissioner for 2 terms; commissioner for the Farm Adjustment Dept, and on the board of Education many years. my main occupation is farmer and stockman. i love to help the community as well as the church. At present I am senior class leader in the mutual and chairman of the genealogical committee. I also served 2 years on the town board.

During the summer of 1937 my wife Anna had a stroke. [We moved to SLC for medical attention.] We lived in an apartment. For 2 years I spent most of my time working in the Salt Lake Temple as we had just received a large record of names from Switzerland on my parents' lines. We received almost 9,000 names. This kept us both busy as Anna did all the research work and helped with the temple work. The folks in Santa Clara also helped a great deal and we got the entire group of names done in the 2 years."

Edward worked night jobs as a custodian at the Utah Smelter and Mining Co. in the Doole Building and in 1944 went to work in a war uniform factory (Carlisle's at 300 S 200 east) initially as custodian then as overseer and packer. In March 1945 heart failure developed and in October he developed chest pain and died in his sleep.

AN EXCERPT FROM SUNSTONE MAGAZINE:

The roots of Mormon pioneers in Europe are old. Hanover's first LDS missionary arrived in 1894. Edward R. Frei came from Santa Clara, Utah, where in the 1860s. Brigham Young had sent 90 Swiss settlers to found the city Frei's parents were Swiss immigrants who made the Pioneer trek across the plains. He baptized seven people; today, we have over 2,500 (even after hundreds who went to Utah after the world wars). I feel his legacy here. (Sunstone magazine 1997)

- Her obituary was published in 1994 in Salt Lake City, Utah, USA. Our beloved mother, grandmother, great-grandmother, sister, aunt and friend, Marguerite Wardle Curtis, passed away peacefully surrounded by her children at the home of her daughter, Betty Horrocks in Salt Lake City, Utah on Sunday, May 29, 1994.

She was born April 16, 1904 in Vernal, Utah to Heber George and Susanna Deans Wardle. She married Martin Weston Curtis in the Salt Lake LDS Temple on May 28, 1924. He preceded her in death on October 24, 1983.

Her great desire was to live to celebrate her ninetieth birthday, which she did on April 16, 1994 with an open house at her home in Vernal and a second open house in Salt Lake City with many friends and family members attending both.

In younger years she taught 4-H Club. She was active in the LDS Church, serving in many positions in both ward and stake. She had a beautiful singing voice. She sang in duets, choirs and at many, many funerals. She was a member of the Daughters of Utah Pioneers, Camp Tocawanab.

She always enjoyed attending the temple, even last month. She always looked forward to Sunday so she could go to church. She attended church exactly one week before she passed away.

Marguerite did beautiful handwork. She loved to read. She loved flowers and her home was a showplace for the beauty and variety of the flowers she grew. She was an immaculate housekeeper. Her family was her pride and joy.

She is survived by two daughters, Betty (Wayne) Horrocks, and Rita (Boyd) Lee of Salt Lake City; one son, Clayton (Vonda Lee) Curtis of Vernal; 13 grandchildren; 58 great-grandchildren; and five great-great-grandchildren; two sisters, Norma Simper and Dolores Stephenson, three brothers, Lawrence J. Wardle, Donnell E. Wardle, Clifford D. Wardle, all of Vernal. She was preceded in death by her husband, parents, four brothers, one granddaughter and one-great-granddaughter.

Funeral services will be held Saturday, June 4, 1994 at 12 noon at the Vernal 5th Ward Chapel at 250 North 200 West, Vernal, Utah. Burial will be in the Maeser Fairview Cemetery. Viewing will be Friday, 7-9 p.m. and Saturday 10-11:30 a.m. at the Thomson's Vernal Mortuary at 1st North and Vernal Avenue.

**241. Clifford D. WARDLE** (*Susannah Euphamie DEANS*<sup>6</sup>, *James H.*<sup>5</sup>, *David*<sup>4</sup>, *James*<sup>3</sup>, *Robert*<sup>2</sup>, *William*<sup>1</sup>) was born on 31 Jul 1925 in Vernal, Utah, USA and died on 8 Nov 2001 in Vernal, Utah, USA aged 76.

Noted events in his life were:

- His obituary was published in 2001 in Vernal, Utah, USA. Clifford D. Wardle, 76, beloved husband, father, grandfather, brother and friend, passed away peacefully at Ashley Valley Medical Center on Nov. 8, 2001 at approximately noon.

Cliff was born July 31, 1925 in Vernal to Heber George and Susanna Deans Wardle. He was the youngest of 10 children. Cliff grew up and attended school in Vernal and after graduation he served his country in the Army during and after WW II. He received the Asiatic Pacific Theater Service ribbon, Philippine Liberation Service ribbon with one Bronze star, Good Conduct Medal and Victory Medal. He was honorably discharged Jan. 9, 1949 and was a member of the Veterans of Foreign Wars.

Cliff married his sweetheart, Bonnie Holtby, on Sept. 15, 1956. They had three daughters and were sealed as a family on June 34, 1966 in the Salt Lake Temple.

Cliff was an active member of the Church of Jesus Christ of Latter-day Saints. His service to his community extended to his involvement in the Lions Club. He was an active member of the service organization for many years and filled various positions within the organization including president.

He worked in the restaurant industry for many years in various locations. He later worked at the Utah Fieldhouse of Natural History in Vernal until his retirement.

However, he soon thereafter began work at the Vernal Wal Mart store as a cashier and more famously, as a door greeter. Cliff loved to greet people and thoroughly enjoyed his association with all he met.

Cliff loved a great many things. He had a deep love of music, and served as a ward organist for many years. After the completion of the Vernal LDS Temple he had the opportunity to play the organ there as well as serve as an ordinance worker. He loved to sing and performed with various opera companies during his life.

Cliff also had a green thumb. He had a knack for plants that came to life each year when his yard boomed into a beautiful assortment of flowers, trees and other vegetation. He enjoyed gardening and grew his own vegetables to share with others. His love for greenery was evident during his years with the Vernal Dinosaur Museum as he tended the outdoor gardens, keeping them lush and green. He beautified the museum during the winter months as he directed the hanging of the Christmas lights.

Cliff's greatest love was for his family. His wife, daughters, sons-in-law and grandchildren, were of foremost importance in his life and he always expressed love and appreciation for all of them. He loved family gatherings, drives, and spending time fishing with those he loved.

Clifford is survived by his wife Bonnie Jean, of Vernal, and his children: Wendy (Tom) Thomas, Vernal, Tamie (Tim) Jorgensen of Logan, and Staci (Ron) Goodrich of Brigham City; 14 grandchildren, who were the joy of Cliff's life, will miss him. His twin brother Donnell, and sisters, Norma Simper and Maryetta Wardle, also survive him. His parents, Heber and Susanna, brothers, Lowell, Boyd, Lawrence, James, Dean, and his sisters Delores Stephenson and Marguerite Curtis, preceded Cliff in death.

Funeral services were held Monday, Nov. 12, 2001 at 11 a.m. at the Glines 1st Ward Chapel with Bishop David Olsen officiating.

Donnell Wardle offered the family prayer, with the invocation being given by Bruce Satra.

Prelude and postlude music was provided by Janet Pederson. Musical numbers sung by Cliff's children and

grandchildren.

Obituary and remarks were given by Tom Thomas.

President Rick Pederson spoke, followed by an organ and viola duet by Marietta Lainhart and Ora Fay Oviatt.

President Charles Beede spoke. Then Denise Allen sang "O Divine Redeemer," accompanied by Ora Fay Oviatt.

The benediction was offered by Clifton Richens. Ron Goodrich dedicated the grave.

Pallbearers were Lee Thomas, Tim Jorgensen, Camron Walton, Walter Escobar, Noah Goodrich, Sheldon Wardwell, Jon Thomas and Brandon Lane.

Honorary pallbearers were Alisa Escobar, Brynn Lane, Camille Goodrich, Tyrell Jorgensen, Michelle Thomas, Sarah Hanaford, Stephanie Wardwell and Lacy Jorgensen.

Interment was in the Maeser-Fairview Cemetery under the direction of Spafford Funeral Home. Glines 1st Ward Relief Society provided compassionate services.

Noted events in his life were:

- His obituary was published in 2015 in Vernal, Utah, USA. On July 31, 1925, a remarkable man was born. Ninety years later, he has returned home with honor after a life of service and dedication to God, country and family. Donnell E. Wardle was born in Vernal, Utah, the son of Heber and Suzanna Wardle. A kind and humble man of simple means, Don always knew what mattered most and conducted his life with that focus. He married his best friend, Marie Batty, in 1946 in the Salt Lake Temple. Don and Marie were the proud parents of three daughters, Charlene (Kenneth) Horne, Marlene (Darrell) Bott and Melinda (Dan) Jensen, all of whom adored their dad. Don worked his entire life for Chevron Oil Company in the Uinta Basin, climbing the company ladder from roustabout to Field Manager -- a testament to his character as a hard and honest worker. Don was a devoted member of The Church of Jesus Christ of Latter-day Saints. He served as a Bishop, a full-time missionary in the Chicago Temple, a temple ordinance worker in Vernal, Provo and Bountiful, and in many other callings. Don was a lifelong member of the Lions Club International, including a term as District Governor, spending countless hours making friends and serving the blind and others in the community. He was an excellent singer and temple organist. A fighter to the very end, Don was part of America's Greatest Generation who served proudly in the United States Army during World War II. Don's last earthly adventure was to travel with the Honor Flight program last fall to see the memorials in his honor in Washington, D.C. He now joins the ranks of those who served faithfully to the end. Don is survived by his three daughters, 17 grandchildren and 35 great grandchildren. We find great comfort thinking about his magnificent reunion with his wife Marie, who he has missed tremendously for 14 years. Now they are together again, forever. We're proud of you dad, and always have been. Thanks for everything. We'll see you in due course.

## Descendants of William Deans

---

I was born in the old Jacob Frei home and lived there till father built our home across the street (at the corner of Santa Clara Dr. and Victor St.) when I was 1 year old. Years later the water system was built and water piped into the home and the kitchen was divided to make a bathroom. Before that we carried our water from the ditch across the street. When storms came and the ditch was muddy we would get our water from Harmon Gubler or Sam Wittwer's well or John S. Stucki's cistern. I attended school in a 2 room school house at the corner of Chapel st and Santa Clara Drive. We played baseball with balls our mothers made out of yarn from old socks tied tight to make it hard. We played marbles; I always had plenty of marbles. We made our own recreation as we had no transportation to go anywhere. We used to pop corn, make molasses candy with our friends. After church we would wander through the fields gathering fruit or squawbush gum or melons for a melon bust. Summers I worked on the farm, cut and hauled wood for the widows in the ward. (Father was the bishop) Saturdays, we deacons chopped wood to heat the church and cleaned and trimmed the kerosene lamps. At age 12, I rode with some of the other men in town to gather father's cattle, we took the herd to Bull Valley for the summer. Late in the summer we gathered the fat cattle and trailed them to Modena where they would be loaded on railroad cars for the Los Angeles market. In September we would separate the calves and bring them home for the winter. In the spring the herds were brought together for marking and branding at the old Sand Corral on the Santa Clara River. Father would also make several trips to mining camps in Nevada to peddle fruit, vegetables, pork, and chickens. Almost everyone grew grapes and made wine for their own use and to sell or trade. One late afternoon, Conrad Nageli asked some of us boys to help him siphon wine from a vat into barrels in his cellar. We tasted the juice each time we had to transfer the hose to a new barrel. It tasted so sweet and good we just kept on tasting it. We stopped to rest on a pile of green cottonwood near George Staheli's and the next I knew the sun was shining full in my face, it was morning; I had forgotten all about the date I had made to take a girl to a dance the night before. I played basketball and baseball in school. We took second place in the state championship in basketball 1916. I married Rhoda Barbara Tobler in 1917. The Temple was closed due to a flu epidemic so we were later sealed in the St. George Temple March 1918. We spent the summer of 1918 on John Hafen's Homestead in Bull Valley. We lost our first child in 1919. In Sept 1919 I was called on a mission to the Northern States Mission. Rhoda lived with my parents while I was gone. I was set apart by Elder Joseph Fielding Smith and received my patriarchal blessing from Hyrum G. Smith. While on my mission, my father and his brothers went in with the Hafens on a cattle ranch in Nevada the called the Hafen and Frei Ranch. We had 1000 head of cattle on the ranch. I worked on the ranch after my return from my mission. In sept. 1921, Rhoda and I moved to the Shivwitt Indian reservation where I taught school and Rhoda taught the girls homemaking and prepared dinner for the children. Spring 1922, we moved back to my parent's home, I worked the farm and worked on the Ivins Canal. I also began building a home on the Ivins bench. We moved upon the bench along with 6 other couples that built homes there. We each had a tract of ground to raise hay and grain, and a home lot where we raised a garden. We had several cows, raised chickens and shipped eggs and cream. We raised a number of pigs. We hauled wood off the west mountains to sell. We worked on the Ivins Reservoir. In 1924 our daughter Rayma was born. More families moved in and in 1924 we had our own post office. 1925 we build a new chapel and I was sustained as Presiding Elder of the Ivins Branch. 1927 Agnes was born. In 1933 we purchased our home in Santa Clara (now on the corner or Quail st. and Santa Clara Dr.) In 1931 Delores was born and the next spring Rhoda became seriously ill and died in August 1932. The following winter, I remodeled our home and in March 1933 married Edith Miller in the St. George Temple. I worked the farm, sold produce. In 1934 Layne was born, and the following year, Rhoda Marie was born. We added on to our home. 1935-1942 I worked for the Civilian Conservation Corps supervising young men in the building of dams, ditches, and soil conservation projects around southern utah. In 1942 I was transferred to Hill Air force Base to do grounds maintenance, I stayed until the fall then quit and came home. That year Boyd was born making 6 children in all. November 1942 I was called to be Bishop of the Santa Clara Ward and set apart by Joseph L. Wirthlin. I served as bishop for 7-1/2 years until 1950. In 1955, I built a home for Mervin Shumway in Blanding. My son-in-law, Dan Pendleton went out with me to work. I came home when the home was completed but Dan stayed there with his family. On return home I sold my cattle and range rights and worked full time as a carpenter building homes in Southern Utah and Nevada. I badly injured my right hand on a table saw but the doctor was able to sew back my thumb and first finger and I was able to still use a hammer. In 1960 I worked for the Forest Service. I raise a small garden at home, have an orchard across the creek and I always raise 2-3 calves that I pasture in the orchard. In 1969 Edith and I began doing temple work in earnest. In 1975 my daughter Delores and her husband Dan built a home on part of our lot. I work with Dan during the summer. They moved in Sept. 1975.

Noted events in her life were:

- Biography: Oklahoma, USA. Bessie Manning was born on September 5, 1925.

She was raised on a dairy farm and later attended schools in Phoenix, AZ. Following high school, Bessie went to work for a local Sears store. The Manning family often invited soldiers stationed at a nearby base to come eat Sunday dinner at their home. It was at one of these dinners that she met the love of her life and her husband of over 70 years, Ernest Leonard Maine. Ernie and Bessie decided to relocate to Florida. On their way from Arizona to Florida they dropped by Ernie's former hometown of Perry so that Bessie could meet other members of the Maine family. The visit went very well and 7 decades and 3 children later, they still called Perry home.

Bessie knew the value of hard work and for much of her life she worked up to 3 jobs to help put her children through school. She always had a positive attitude saying "I just do what I have to do." She operated an in-home daycare caring for several local children. She eventually went to work as the cook for Christ Lutheran School, a

position she enjoyed for over 25 years. She was well known for her sweet spirit and her delicious cinnamon rolls, cowboy bread, and chicken and noodles. She also worked as a seamstress at Eby's Cleaners and enjoyed the chance to work along her husband Ernie at both the cleaners and the school. After getting off work at the school and the cleaners, Bessie made her way to the Cherokee Strip Restaurant where she worked as the cook for the evening shift.

Bessie retired in 1985 which gave her more time to volunteer at her church where she served as a Sunday school teacher and Sunday school superintendent's secretary during her 60+ years of membership. She also served at the Perry Meals on Wheels where she spent countless hours cooking special meals for her special home-bound friends. She also enjoyed bird watching and was also excited when the purple martin's made their yearly migration through Perry. Bessie was also an avid Chicago Cubs, Green Bay Packers, and Perry Maroons fan. A former violin player, Bessie also attended many Perry HS Band concerts, as well as multiple Bill Rotter performances. She loved to camp for weeks at a time and she was involved with the local Bluebirds and Campfire Girls. She was a talented seamstress and made beautiful handmade quilts for each of her kids and grandkids.

Bessie, a polio survivor, enjoyed her life to the fullest. Her motto was "A little bit of love goes a long way." She was full of love and a selfless passion to serve others. She made a tremendous impact in the lives of her family and friends and she will be truly missed by those fortunate to be a part of her amazing journey.

Bessie was preceded in death by her parents; husband Ernie L Maine; a sister Myrtle Passey.

She is survived by her three children: Dennis Maine and wife Gloria of Perry, Diana Hamburg and husband Daniel of Perry, and Janelle Keith and husband Terry of Perry. Eight Grandchildren; a sister Nelda Nelson of Phoenix, AZ; 13 great grandchildren and a sister in law Virginia Eggers of Morrison, OK.

Bessie married **Ernest Leonard MAINE** in Arizona, USA. Ernest was born on 25 May 1922 in Perry, Oklahoma, USA and died on 3 Jun 2016 in Perry, Oklahoma, USA aged 94.

Noted events in his life were:

- Biography: Oklahoma, USA. Ernest Leonard Maine, 94, of Perry passed from this life on June 3, 2016. Ernest was born on May 25, 1922 in Perry, OK.

He grew up and attended schools in Perry, graduating from Perry High School. In 1942 he joined the US Army where he served as an airplane armorer. While stationed in Arizona, Ernie and several other soldiers were invited to Sunday dinner by a kind local family. It was at this dinner that he met the love of his life and his bride of over 70 years, Bessie Manning. Ernie and Bessie decided to relocate to Florida. On their way from Arizona to Florida they dropped by Ernie's former hometown of Perry so that Bessie could meet other members of the Maine family. The visit went very well and 7 decades and 3 children later, they still call Perry home.

Ernie went to work as the "pressman" at Eby's Cleaners where he worked until accepting a job at Charles Machine Works in the late 1960's. He retired from CMW in 1989 after nearly 20 years of service. This retirement was short lived, as he soon after accepted an opportunity to become the maintenance man for Christ Lutheran Church and Christ Lutheran School, a job he absolutely loved. He was a dedicated and meticulous servant who put everything he had into everything he did. During his 25 years at CLC, it wasn't uncommon to find Ernie in the basement bailing water at 2am or on his knees in the flowerbed pulling weeds in the July heat. Ernie never complained because he was doing what he loved. He made many wonderful friends at Christ Lutheran Church and it was a difficult day when health issues forced his "early retirement" at age 93.

He was a hard working man with boundless energy and his friendly demeanor and ornery personality made him easy to love. When Ernie was not working, he could be found wood working and mowing. Those who knew him best knew that the two most important things in his life were his faith and his family. The Maine family were long-time members of Christ Lutheran Church where Ernie served as an elder, Sunday school superintendent, treasurer, and a trustee. Family was always a priority and Ernie worked hard to provide for them. He served as a Boy Scout Leader for many years and always enjoyed getting to take his family camping. Ernie Maine had a smile that could light up even the darkest of days and that smile was never more evident than when he was spending time with his grandchildren and great grandchildren. He made many great friends and memories during his 94 yrs of life and he will be missed by all who knew and loved him.

Rayma FREI** (*Edward Rudolph FREI*<sup>7</sup>, *Agnes WILSON*<sup>6</sup>, *Isabella DEANS*<sup>5</sup>, *David*<sup>4</sup>, *James*<sup>3</sup>, *Robert*<sup>2</sup>, *William*<sup>1</sup>) was born on 2 Mar 1924 in Santa Clara, Utah, USA and died on 18 Feb 1999 in Salt Lake City, Utah, USA aged 74.

Noted events in her life were:

- Her obituary was published in 1999 in Salt Lake City, Utah, USA. The world has lost a kind and wonderful woman. A great mother, sister, grandmother and friend. Rayma was born March 2, 1924 to Edward Rudolph Frei and Rhoda Barbara Tobbler Frei, their first daughter. She grew up in Santa Clara, Utah with her three sisters, Agnes Snow (Chet), Delores Pendleton (Dan), and Rhoda Palmer (Fred); and two brothers, Lane Frei (Vicky) and Boyd Frei (Cleo). She came to Salt Lake City at the age of 19 and went to work for Woolworth's lunch counters. She became a manager for them and opened many new stores for the company. Rayma was an excellent cook and enjoyed doing things for people. She met her husband of 25 years, Newell R. Taft; they sealed their marriage in the Salt Lake Temple in 1986. Newell preceded her in death in 1987.

Rayma is survived by her children Gary, Dennis, Denise, Tom, Sherry (Jason); also by nine grandchildren, Tessa, Keri, Amber, Jeremy, Heather, DJ, Josh, Jordan and Emily; also six great-grandchildren.

Rayma married **Newell Russell TAFT** in 1966 in Salt Lake City, Utah, USA. Newell died in 1987 in Salt Lake City, Utah, USA.

Noted events in her life were:

- Her obituary was published in 2001 in Santa Clara, Utah, USA. I really don't remember a lot of my childhood. Most of the things I do remember are not happy things, so I just choose not to think about them. I was born in Santa Clara, Ut. My mother died when I was 10 months old. Father remarried when I was 18 months old. My sister Agnes was 4 years older and Rayma was 8 years older than me. It fell to Rayma to take care of me. I'm sure it was hard for a 9 year old girl to be saddled with a little girl. No matter where she went she had to take me along. She was always very kind to me. Once we were making a trip to Pinto and I was very sick. I remember

Rayma taking me to the rest room at the CCC camp and washing my face and hands and taking care of me.

During the summers we moved around a lot. We spent two summers in Pinto, one in Enterprise. Daddy was foreman of the CCC's. We lived in boarded up tent right next to the camp. I remember that I loved mustard, just butter and mustard on bread. When I think about it now I can't imagine why. Another summer we lived in Pinto, we lived in a little old rock house; our neighbors were the Snows. One of the Snow girls would tell ghost stories at night. It scared us to death. We had no electricity. We had coal oil lamps.

The summer we lived in Enterprise we live in a little house on the outskirts. I remember having to take the cows down every morning to the pasture.. it seemed like a long ways to us. Then we would bring them back in the evening for milking. There was a bull down at the pasture. We hated that and would worry all the way about how we would get the cow out without that bull getting us. We had an outdoor toilet and a really mean rooster. Every time I had to use the restroom I had to pick up a big club to take with me because that rooster with big talons would fly up at me. In the summer we did a lot of canning (everything we ate we put into bottles). We didn't go to the store to buy anything like that. Because I had little hands it was my job to wash the inside of all the bottles. It seemed we washed bottles for hours and hours every day.

Daddy always had a garden. He had an orchard, melon patches, tomato patches all that needed to be taken care of. Mother(Edith Miller Frei) would go to the garden to work with him and often the older girls would go. I was lucky. When I was eleven, Boyd was born and I was allowed to stay home and take care of him, clean house and fix lunch. I didn't care much for field work. However, I did work in the fields for Uncle Leo Reber and Cecil Frei bunching onions and radishes and carrots. We picked tomatoes and peaches. By the end of summer I would have earned about \$30 to buy material for school clothes which mother would make.

Growing up I was a homely kid, thin, gangly and dark skinned. I always had scabs, scratches and bruises. I remember as a teenager, the first time i didn't have any scabs on my arms and legs. I wore my hair chopped off just below my ears. The fist time I though I might not look too bad, I was 12 (sixth grade) and we were putting on the play "Anne of Green Gables" in the old Santa Clara School house. I was the first girl my age to get my height and I was very insecure thinking I would grow up to be a giant. I played the minister's wife. After the play I stood next to my dad in the foyer and a lady said, "well Delores your getting to be a pretty girl, finally growing up to look like something." My Dad said, "She has always been a pretty girl." I was stunned and speechless and felt warm and good all over to think my Dad thought I was a pretty girl.

I loved playing baseball for the Rocky Mountain Service team. I had a good, swift arm and could hit and run well. Playing ball gave me a sense of confidence that I lacked.

The best thing that ever happened to me was that I met Dan Pendleton and that I loved him and he loved me. When first married we live with his parents for 4 months. When ever anyone would come to the house I would get up and go out into our bedroom, because I was so insecure. One day when company came, I stood to leave and Dan's mother grabbed my hand and said, "stay Delores." She held on to me and made me sit by her on the couch. When the company left she said she noticed my leaving when company came and wondered why. She said, "don't you know you are a beautiful girl and you have as much to offer as anyone else." She was kind and loving toward me and always has been. I have always loved to visit with her and be with her.

After our son Danny was born and I was carrying Gary, his national guard unit was activated and sent to Fort Louis Washington where Gary was born. When Dan went to Korea, I lived with my folks in Santa Clara. When Dan returned He worked in construction in St. George, then we moved to Blanding for work during the uranium boom. Then in 1962 the local economy went bust and we moved to Henderson, NV where we lived the next 13 years. We completed our family of six children there and Dan served as Bishop of the Henderson 5th Ward.

In 1975 we again visited my folks in Santa Clara. Daddy seemed so much older then and was frail and out of breath after climbing a little hill at the orchard. I knew it was time to move home and take care of him. I talked to Dan about it and when I got home the house was up for sale. Dan and Gus (age 11) built our home in Santa Clara next to my Dad. We loved it there, but I had to fight off some of those old feelings of insecurity that i had experienced growing up. I served in the relief society presidency in the Santa Clara 1st Ward and later as president in the Ivins First Ward, worked as the Head Lunch lady at the Santa Clara Elementary and did pie making demonstrations for the extension service. Dan and I moved to Saudi Arabia for 9 months in 1982 - that was a real interesting experience. I developed rheumatoid arthritis in July 1981. It was fairly well controlled the first several years, but as time progressed the medications became more difficult to tolerate and less effective and

my joints became more inflamed and deformed. I had several surgeries on my hands and feet but the benefits were minimal.

Delores was a wonderful cook, a faithful Latter-day Saint, and a kind, perhaps indulgent mother. She occasionally had an impetuous streak and a fun sense of humor and was fun to visit and converse with. She always had something wonderful to eat for visitors and was always prepared to set more places at the table for an unexpected guest. Her severe rheumatoid disease over 20 years sapped her strength and vitality until she was ready to go home. She died in her sleep at home in Ivins at age 69.

- Awards: 1951, Cardiff, Glamorganshire. From London Gazette 16 November 1951

CENTRAL CHANCERY OF THE ORDERS  
OF KNIGHTHOOD,

St. James's Palace, SWA.

20th November, 1951.

The KING has been graciously pleased to approve the award of the George Medal to the undermentioned: —

Surgeon Lieutenant James Golding Harding SHEPPARD, M.B., B.S., Royal Navy.

Acting Leading Sick Berth Attendant (Local) Malcolm HUGHES, D/SMX. 868808.

On 27th April, 1951, a lighter was being loaded with ammunition from the Naval Auxiliary Vessel BEIDENHAM, in His Majesty's Dockyard, Gibraltar, when a minor explosion occurred in the lighter followed by an intense ammunition fire. Six minutes later a second large explosion occurred in the lighter which cut the BEDENHAM in two and sank her.

Immediately after the first explosion, Surgeon Lieutenant Sheppard went to the wharf where the BEDENHAM was lying and searched for casualties. He helped to pull out of the water a badly burned man and took him to an ambulance. He was walking back towards the BEDENHAM to his first aid box and was only about fifteen yards away when the second explosion occurred.

He fortunately escaped unharmed and immediately began to administer first aid to the seriously injured on the wharf. Later he treated other casualties in the Dockyard surgery.

Surgeon Lieutenant Sheppard showed a total disregard for his own safety, and his single-minded determination to do all within his power to seek out the casualties, care for them and relieve their pain was worthy of the highest praise.

Leading Sick Berth Attendant Hughes

accompanied Surgeon Lieutenant Sheppard to the wharf where the BEDENHAM was lying, and assisted him in the care of a badly burned man in the immediate vicinity of the burning lighter in which ammunition was exploding.

He was within twenty or thirty yards of •the BEDENHAM when the large explosion occurred, but was fortunate enough to escape with slight shock and minor bruises. He at once resumed his assistance with the treatment and removal of the casualties on the wharf, and then returned to the Dockyard surgery to assist there with the treatment of the injured.

The coolness, courage and devotion to duty shown by Leading Sick Berth Attendant Hughes in the face of extreme danger was outstanding
